## ALL DAY BRUNCH

***Delicious breakfasts from around the world, good enough to eat all day***

*With the uncertainty of these times we have chosen to go simple, minimising waste and keeping our menu choice small but fresh - We've bought back some old favourites for the winter and some new treats. Keep an eye out on the specials board as that changes regularly. Everything is made in house so please be patient with us whilst we carefully prepare your food.*

**Our ingredients are sourced locally and organically where possible, and everything is made from scratch here at Rafikis. Ask us for full ingredients and allergen information.**

**Welcome back to Rafikis!**

We are delighted to be able to open again, and welcome you back inside and outside.

Space is limited (now more than ever) so please bear in mind our need for others to come in also..

We are endeavouring to keep you and our staff as safe and happy as possible, so please comply with our simple rules:

- Wear a mask on entering the building until seated at a table
- Wait for table service at your table, we'll look after you as soon as we can - if you are seated outside, pop in to place your order and pay as you go.
- One person per group please register with the gov track and trace app.
- Please be patient with us as we learn new systems and new ways of serving for everyone's safety.
- Please respect 'Covid times' social distancing guidelines and recommended hygiene practises. We are doing our best, and we know you are.
- Remember the days when cafes didn't have lists of rules to follow, smile and rest assured those days will return...
